Sermon Recap

Hebrews 8 reminds us of the New Covenant that we now have because of Christ Jesus. While the Old Covenant was given by God to the people of Israel, when Jesus came, died and was raised, He established a New Covenant with His people, so they can have salvation. Verses 10-13 tell us what this New Covenant offers: power, motivation, a close relationship with a personal God, forgiveness, grace, and mercy. Just like the Christian audience of the letter of Hebrews, may we be encouraged by these promises that are only fulfilled by this New Covenant.
