Words of Encouragement

“Faith is only as reliable and helpful as the trustworthiness of its object; and Christian faith is powerful and effective because the object of faith, Jesus Christ, is infinitely powerful and absolutely dependable. Christian faith never fails, because the One in whom that faith is placed never fails.”

-John MacArthur

The Hani are one of the ethnic minority groups of northern Vietnam near the China border. They live in small, crowded villages consisting of 50 or 60 households. They are terrace rice farmers and they pray to ancestors and “thunder gods” and “wind ghosts” for success in their harvest. Please pray for scripture to be translated in their native language. Please pray for opportunities for teams of believers to engage them with the Gospel.
