Pray for the Unreached:

Fulbe People of Guinea

Population: 4,570,000 | Primary religion: Islam | Percent Evangelical Christian: 0.00%

Please pray for the Fulbe people scattered around the West African country of Guinea. The Fulbe are mostly farmers and shepherds. Their villages are all centered around a mosque as they are almost exclusively Islamic. Please pray for them to become curious about the Jesus they read about in the Koran, and for believers from other villages to share the hope and truth of the Gospel with them.
