Words of Encouragement

“This commitment to total obedience does not mean a mere negative avoidance of evil practices. It also means positively obeying God’s commands. We cannot say that someone is a true Christian just because he is not a thief, liar, blasphemer, drunkard, sexually immoral, arrogant, cruel or fierce. He also has to be positively God-fearing, humble, respectful, gentle, peaceful, forgiving, merciful and loving. Without these positive qualities, he is not obeying the laws of Christ.” - Jonathan Edwards

Pray for the Unreached:

Jambi People of Indonesia

Population: 1,038,000 | Primary religion: Islam | Percent Evangelical Christian: 0.01%

Please pray for the Jambi people of Indonesia. The Jambi inhabit the dense jungle and swamp regions of Indonesia, and are very proud that they’ve held fast to their culture and have not westernized. Almost all of the Jambi are Muslim. Please pray for gospel resources to be translated or recorded in their language, and for their hearts to be open about the truth of Christ.
