Words of Encouragement

“Grace burst forth spontaneously from the bosom of eternal love and rested not until it had removed every impediment and found its way to the sinner’s side, swelling round him in full flow. Grace does away the distance between the sinner and God, which sin had created. Grace meets the sinner on the spot where he stands; grace approaches him just as he is. Grace does not wait till there is something to attract it nor till a good reason is found in the sinner for its flowing to him... It was free, sovereign grace when it first thought of the sinner; it was free grace when it found and laid hold of him; and it is free grace when it hands him up into glory.”

-Horatius Bonar

Pray for the Unreached

Megh People of India
Pop: 4,701,000 | Religion: Hinduism | Percent Christian: 0.02%

Please pray for the Megh Hindus of India. Like all Hindus, The Megh worship hundreds of false gods, but they primarily focus on Ram Devji and Bankar Mataji as the chief “god” and “goddess” of the community. The Megh are a low caste group in India and they are primarily farmers. As a result, they have poor living conditions and education, as well as very few employment opportunities. Please pray for the Gospel and hope of Christ to spread among them, and for to be prepared to receive it.

Scripture Reading

Please read **Joshua 7** in preparation for this week’s sermon.
