Words of Encouragement

“We don’t come to church, to be a church. We come to Christ, and then we are built up as a church. If we come to church just to be with one another, one another is all we’ll get. And it isn’t enough. Inevitably, our hearts will grow empty, and then angry. If we put community first, we will destroy community. But if we come to Christ first and submit ourselves to Him and draw life from Him, community gets traction.” - C.S. Lewis

Pray for the Unreached:

Xiang Han People of China

Population: 35,652,000 | Primary Religion:

Ethnic Religions | Percent Evangelical

Christian: 2.0%

The Xiang are traditionally acknowledged as the most stubborn and proud of all Chinese peoples. The pride of the Xiang has made them the most unreached of all Han Chinese peoples. They are a closed off and isolated people. Please pray for physical and spiritual barriers to be torn down, and for the Gospel to pierce their hearts.
