#### Words of Encouragement

“The road is rugged, and the sun is hot. How can we be but weary? Here is grace for the weariness – grace which lifts us up and invigorates us; grace which keeps us from fainting by the way; grace which supplies us with manna from heaven, and with water from the smitten rock. We receive of this grace, and are revived. Our weariness of heart and limb departs. We need no other refreshment. This is enough. Whatever the way be – rough, gloomy, unpleasant – we press forward, knowing that the same grace that has already carried thousands through will do the same for us.” – Horatius Bonar

#### Pray for the Unreached:

Sayyid People of Pakistan

Population: 6,519,000 | Primary Religion: Islam |

Percent Evangelical Christian: 0.0%

The Sayyid are among the largest of Muslim communities in many parts of the world. They believe they are from the lineage of the Prophet Mohammad himself. The Sayyid occupy the highest social class among Muslims. Because of the sheer religious and political weight that the Sayyid carry in their respective communities, a transformed Sayyid leader for Christ could have influence like that of "Paul" in his day. Whole districts could be converted to be followers of Jesus if Sayyid leaders came to know and trust the Truth. Please pray for the Sayid of Pakistan to come to know Jesus as King.
