Pray for the Unreached

Mahra People of Yemen

Population: 101,000 | Primary religion: Islam Religions | Percent Evangelical Christian: 0.05%

If there are followers of Jesus today among the Mahra people, they very much need prayer support and encouragement for them to be empowered by the Holy Spirit. Ask the Lord of the harvest to open the doors of Yemen to the preaching of the gospel. Ask the Holy Spirit to call people who are willing to share the love of Christ. Pray that a network of strong local churches would be raised up among the Mahra. Pray for peace and justice to reign in Yemen.
