#### Words of Encouragement

“Scripture is like a working museum of which the Spirit is the Curator, showing us around and explaining the wonders of the mind of the Maker. In this museum we are taken behind the scenes to learn from God Himself. In growing to know God, therefore, there is no substitute for the discipline of Bible study and Scripture reading and meditation. We cannot bypass the handbook God has given to us and then expect that we can know Him in our own way. The only god we can know in our own way is a god that we make in our own image.”

- Sinclair Ferguson
