#### Words of Encouragement

“The family is wonderful, but unless we understand the family in the context of the triune God who is magnifying and manifesting His glory in the world and painting the picture of it through this union that we call the family, then we are selling it short and we are not seeing it for what it really is and we are limiting our capacity to enjoy it and our capacity to glorify God through it as well.”

- Voddie Baucham

“Every Christian family ought to be a little church, consecrated to Christ and wholly influenced and governed by His Laws.”

- Jonathan Edwards

#### Pray for the Unreached

Arakh People of India

Population: 713,700 | Primary religion: Hinduism | Percent Evangelical Christian: 0.00%

No known Christian Church exists among Arakh people today. Pray for the Lord to move among them, paving the way for the gospel to spread far and wide. Pray for laborers to sow God's word to persons and households of peace, which will in turn catalyze movements to Christ among Arakh people. Pray that God would overthrow spiritual forces of darkness in the Arakh people who oppose the spread of the gospel. Ask the Lord to raise up and send out a new generation of fruitful, multiplying witnesses from among the Arakh people.
