Words of Encouragement

“God's knowledge is instantaneous. Our knowledge is successive, one thing after another. We argue from the effect to the cause. God knows things past, present, and to come—at once; they are all before him in one entire prospect. God's knowledge is retentive; he never loses any of his knowledge; he remembers as well as understands. Many things elapse out of our minds—but God's knowledge is eternalized. Things transacted a thousand years ago, are as fresh to him as if they were done but the last minute. Thus he is perfect in knowledge.”
