Pray for the Unreached

Najdi Arab People in Kuwait

Population: 257,000 | Primary religion: Islam
| Percent Evangelical Christian: 0.00%

There are not many followers of Jesus among the Najdi Arabs. There are a few and they need outside prayer support. Pray for their protection. Pray they would learn to live in the power of Christ's Spirit, demonstrating the fruit of his Spirit. This fruit will be a strong testimony to the reality and goodness of Christ. Pray the Najdi Arabs would hunger to know forgiveness of sin, found only through faith in the work of Christ on the cross. Pray they would hunger to know God's love, found through faith in Christ's work and life.
