Words of Encouragement

“Christ’s resurrection was the work of the Triune God. The Father raised Him from the dead (Rom. 6:4; Gal. 1:1; 1 Pet. 1:3). So did the Spirit (Rom. 8:11). And the Son took back the life which He had laid down (Jn. 10:18; cf. 2:19, 21; 11:25). For the comfort of believers, these three are and always will be One.”

Prayer Requests

- Chet Peterson - Praise the Lord that our trip to Southeast Europe to visit the Baumans was a success. Please pray for their continued ministry.
- Nickie Sacco - My brother-in-law Craig Owen had a scan done, and his calcium levels are extremely high, and other not-so-good levels in his blood work and found a large mass in his lung. Please pray for healing.
- UPDATE - Please continue to pray for Chuck and Helen’s daughter, Erin. She is doing much better. She still has a loss of sensation in most of her body but is making good progress in other areas. They are presuming it to be Guilian Barre, but there isn’t a conclusive test. Thank you again for your prayers and please continue to pray for Erin’s treatment and recovery.
- Debbie Phillips - My nephew’s wife, Nadine Shelton, needs prayers for healing. Her most recent hip replacement is not healing properly. She is also not a believer. Please pray that God will heal her hip and that she will see His Hand in her recovery.
- Debbie Phillips - Paula Owens had a procedure and 2 stents that were put in her heart. She is home and recovering. Please pray for continued healing and for her as she makes healthy lifestyle choices.
- Please pray for Meghan Larose’s sister, Carly, as she recovers from her stroke. She is at home and doing therapy. Please pray that she continues to heal and have a full recovery, especially her cognitive skills and her right foot.
