Words of Encouragement

“The doctrine of redemption by Jesus Christ is a glorious doctrine; it is the marrow and quintessence of the gospel, in which all a Christian’s comfort lies. Great was the work of creation, but greater the work of redemption; it cost more to redeem us than to make us; in the one there was but the speaking of a word, in the other the shedding of blood. The creation was but the work of God’s fingers (Psalm 8:3). Redemption is the work of His arm (Luke 1:51).”

Pray for the Unreached

Kanembu People in Chad

Population: 962,000 | Primary religion: Islam
| Percent Evangelical Christian: 0.00%

Pray that the few Kanembu believers would allow the light of the Holy Spirit to shine through them in such a way that others will be drawn to their Savior. Ask God to raise up strong local churches that will plant other churches among the Kanembu. Ask the Holy Spirit to soften Kanembu hearts towards Christ. Ask that they would be receptive to His teachings, igniting a movement to Christ.

Prayer Requests

- Keagan Monteith - Next Monday my dad, Nicky Monteith, will be going in to have a tumor removed from his bladder. He had this done several years ago as he developed bladder cancer. It unfortunately has come back, however we are grateful it was caught early and the removal should take care of any current cancer in that area.
- Keagan Monteith - My stepdad, Mike Lowery, went into the hospital this afternoon for a heart cath, which he then will remain in Mission and is scheduled to have open heart surgery first thing in the morning. He will be having a valve replaced. Please pray for a smooth transition and surgery.
- Kitty Dillon - Please pray for my son’s friend, Heather. She has skin cancer and the doctors told her she has days or weeks to live. She is married with a 10 year old son, and they are strong believers. Please pray for her during this time.
- Please pray for Archer Peterson this week. He has surgery on Thursday to repair the strabismus in his eyes. He is nervous, so please pray for courage and comfort that only the Lord gives.
- Nickie Sacco - My brother-in-law Craig Owen had a scan done, and his calcium levels are extremely high, and other not-so-good levels in his blood work and found a large mass in his lung. Please pray for healing.
- Please pray for Meghan Larose’s sister, Carly, as she recovers from her stroke. She is at home and doing therapy. Please pray that she continues to heal and have a full recovery, especially her cognitive skills and her right foot.
