Words of Encouragement

“Learn, then, O believer, to love all the persons of the Divine Trinity alike. Remember that salvation is no more the work of one than of the other. They all three agree in one; and as in the creation they all said, ‘Let us make man;’ so in salvation they all say, ‘Let us save man;’ and each of them does so much of it that it is truly the work of each and undividedly the work of all.”

- Charles Spurgeon

Followers of Christ among the Silt'e need prayer support. Pray they will live holy lives, honoring Christ in all they do, especially in the face of persecution. Prayer Requests

- Chet Peterson - Please pray for a coworker who got some negative blood work results last week. She doesn't know what is causing the issue and asked for prayer.
- Please pray for all the teachers and students as they finish the year well.
- Please continue to pray for the Baumans and the items on the prayer calendar.
- UPDATE: Debbie Phillips - Nadine Shelton is still struggling with her hip and healing continues to be slow. Now her husband, Jesse, has injured 2 discs trying to lift her. Doctors are trying to avoid surgery if possible, but he is out of work which has drastically affected their income.
- UPDATE: Meghan Larose - Please pray for a client who is pregnant. She is doing better and the baby seems to be okay after the ultrasound. She will be induced in a couple weeks.
- Keagan Monteith - My dad, Nicky Monteith, had a tumor removed from his bladder. He had this done several years ago as he developed bladder cancer. It unfortunately has come back, however we are grateful it was caught early and the removal should take care of any current cancer in that area.
- Keagan Monteith - My stepdad, Mike Lowery, had open heart surgery. He had a valve replaced. Please pray for a smooth transition and surgery.
- Kitty Dillon - Please pray for my son's friend, Heather. She has skin cancer and the doctors told her she has days or weeks to live. She is married with a 10 year old son, and they are strong believers. Please pray for her during this time.
