Words of Encouragement

“The idea that the service to God should have only to do with a church altar, singing, reading, sacrifice, and the like is without doubt but the worst trick of the devil. How could the devil have led us more effectively astray than by the narrow conception that service to God takes place only in church and by works done therein... The whole world could abound with services to the Lord...not only in churches but also in the home, kitchen, workshop, field.”

- Martin Luther

Prayer Requests

- Debbie Phillips - UPDATE: Nadine Shelton is still struggling with her hip and healing continues to be slow. Now her husband, Jesse, has injured 2 discs trying to lift her. Doctors are trying to avoid surgery if possible, but he is out of work which has drastically affected their income.
- Meghan Larose - Please pray for a client who is pregnant and they think there is something wrong with the brain and heart. She has a ultrasound last week.
- Keagan Monteith - My dad, Nicky Monteith, had a tumor removed from his bladder. He had this done several years ago as he developed bladder cancer. It unfortunately has come back, however we are grateful it was caught early and the removal should take care of any current cancer in that area.
- Keagan Monteith - My stepdad, Mike Lowery, had open heart surgery. He had a valve replaced. Please pray for a smooth transition and surgery.
- Kitty Dillon - Please pray for my son's friend, Heather. She has skin cancer and the doctors told her she has days or weeks to live. She is married with a 10 year old son, and they are strong believers. Please pray for her during this time.
- Please pray for Archer Peterson who had surgery to repair the strabismus in his eyes. Please pray for continued healing.
- UPDATE: Please pray for Meghan Larose's sister, Carly, as she recovers from her stroke. She is back at work but can't drive yet. Pray that her right foot gets stronger
