### Words of Encouragement

“God has provided all we need for our pursuit of holiness. He has delivered us from the reign of sin and given us His indwelling Holy Spirit. He has revealed His will for holy living in His Word, and He works in us to will and to act according to His good purpose. He has sent pastors and teachers to exhort and encourage us in the path of holiness; and He answers our prayers when we cry to Him for strength against temptation.”

### Prayer Requests

- Please pray for Metta Bauman's father as his dementia progresses. Pray that he adjusts to his medication and it settles his body and mind, and for an affordable facility he can be safe in. Also, please pray that He would provide financially and logistically.
- Please pray for Tyler, Amanda, and the boys. Pray for God to send Tyler a part time job opportunity where he can continue building his business while also making an income. Pray that we are able to remain faithful and not forget that God is our provider while enduring this trying time.
- Please pray for Meghan Larose's brother, John. He had a blood clot in his leg that traveled to his lung and caused a pulmonary infarct. They also discovered a mass under his armpit that they biopsied, and are waiting for the results. He is in a lot of pain. He is a believer and lives in Dallas.
- Please pray for Brad as he continues his internship. Please pray for endurance and that he continues to seek the Spirit's guidance.
- UPDATE: Marcus Lester - Please continue to pray for my sister, Yolanda. Pray for the circulation in her veins to hold up and discernment in making better health choices/diet moving forward.
- UPDATE: Marcus Lester - Please continue to pray for my niece, Kamarie. She has been diagnosed with FND (Functional Neurological Disorder). My sister, Lakisha, has decided to approach this disorder holistically without meds, and with diet and exercise. Please pray for discernment in all of those areas as well as her heart and mind on this journey.
