Words of Encouragement

“Remember that it is not hasty reading, but serious meditation on holy and heavenly truths, that makes them prove sweet and profitable to the soul. It is not the mere touching of the flower by the bee that gathers honey, but her abiding for a time on the flower that draws out the sweet. It is not he that reads most, but he that meditates most, that will prove to be the choicest, sweetest, wisest and strongest Christian.”

-Thomas Brooks

Pray for the Unreached

Korean People in North Korea

Population: 25,664,000 | Primary religion: Non-Religious | Percent Evangelical Christian: 1.6%

Pray for North Korean believers to be so full of the fruit and the power of the Holy Spirit that they spread hope and joy to their suffering neighbors and family members. Pray for them to have a Holy Spirit-directed love, even for their many enemies. Pray for the 2020s to be the decade when there is a powerful movement to Christ among the North Koreans. Pray for the physical and spiritual needs of the North Korean people to be met. Pray for faithful intercessors to pray down the spiritual walls built by their government.

Scripture Reading

Consider reading Revelation 9 in preparation for this week's sermon.

Prayer Requests

- Please pray for Metta Bauman's father as his dementia progresses. Pray that he adjusts to his medication and it settles his body and mind, and for an affordable facility he can be safe in. Also, please pray that He would provide financially and logistically.
- Please pray for Tyler, Amanda, and the boys. Pray for God to send Tyler a part time job opportunity where he can continue building his business while also making an income. Pray that we are able to remain faithful and not forget that God is our provider while enduring this trying time.
- Please pray for Meghan Larose's brother, John. He had a blood clot in his leg that traveled to his lung and caused a pulmonary infarct. They also discovered a mass under his armpit that they biopsied, and are waiting for the results. He is in a lot of pain. He is a believer and lives in Dallas.
- Please pray for Brad as he continues his internship. Please pray for endurance and that he continues to seek the Spirit's guidance.
- UPDATE: Marcus Lester - Please continue to pray for my sister, Yolanda. Pray for the circulation in her veins to hold up and discernment in making better health choices/diet moving forward.
- UPDATE: Marcus Lester - Please continue to pray for my niece, Kamarie. She has been diagnosed with FND (Functional Neurological Disorder). My sister, Lakisha, has decided to approach this disorder holistically without meds, and with diet and exercise. Please pray for discernment in all of those areas as well as her heart and mind on this journey.
