Words of Encouragement

“Affliction and suffering have been appointed by God as instruments He uses to make us more holy, to make us more like Jesus. They remind us that we are weak and we must rely not on ourselves, but on Jesus. They remind us that this world is not our home but that we are only passing through toward our real home in heaven with our Father, our Savior, Jesus Christ, and our Comforter, the Holy Spirit.”

-Michael Beates

Pray for the Unreached

Northern Yemeni Arab People in Saudi Arabia

Population: 294,000 | Primary religion: Islam | Percent Evangelical Christian: 0.0%

Pray for the few believers among the Sanaani Arabs, that they would become effective and fruitful in sowing God's Word among their families and communities to fuel a movement of God's blessing spreading from household to household. Pray for a movement to Jesus to multiply among the families and communities of the northern tribes of Yemen, that Yemeni families would increasingly experience the righteousness and forgiveness found only in the person and work of Jesus Christ.
