Words of Encouragement

“A true Christian loves Christ for all He has done for him. He has suffered in his stead and died for him on the cross. He has redeemed him from the guilt, the power, and the consequences of sin, by His blood. He has called him by His Spirit to self-knowledge, repentance, faith, hope, and holiness. He has forgiven all his many sins and blotted them out. He has freed him from the captivity of the world, the flesh, and the devil. He has taken him from the brink of hell, placed him in the narrow way, and set his face toward heaven. He has given him light instead of darkness, peace of conscience instead of uneasiness, hope instead of uncertainty, life instead of death. Can you wonder that the true Christian loves Christ? And he [also] loves Him besides, for all that He is still doing.”

Prayer Requests

- Anne Bond - Please pray for my daughter-in-law, Molly, who had surgery last week to relieve symptoms of cervical spinal stenosis. The surgery went really well, praise the Lord! Her headaches and numbness on her fingers are already gone. Swallowing has been difficult, but should improve as the swelling goes down. Please pray for a speedy recovery without complications.
- UPDATE: Jeff Mason received results from his scans that showed no new cancer growth! Praise the Lord.
- Chet Peterson - Since getting back on his daily medication, his headaches have been few for the past couple weeks. He goes this week to the pulmonologist to see what treatment is necessary for his sleep apnea.
- Meghan Larose - Please pray for a friend of mine who may have to have several toes amputated due to a bone infection. This would put him in a wheelchair. Please pray that some other alternatives will work and this will be a last resort. Please pray for healing.
- UPDATE: Breanna Peterson - Please pray for my friend Mary Katherine’s baby who is showing signs of trisomy 18. They found out that the baby is a girl. Mary Katherine has an appointment this week. Please pray for no cysts on the baby’s brain. Also, please pray for growth of the baby’s heart to be able to function with a normal sized body.
- Please pray for Metta Bauman’s father. He continues to be in Hospice care.
- Breanna Peterson - Please pray for my friend’s husband, Justin Wong, who was recently diagnosed with mesothelioma. Thankfully it is not in his lymph nodes. Please pray for him and his family, he is married with three young children.
