### Week of 7/14/2025

#### Words of Encouragement

“Indwelling sin remains in us even though it has been dethroned. And though it has been overthrown and weakened, its nature has not changed. Sin is still hostile to God and cannot submit to His law (Romans 8:7). Thus we have an implacable enemy of righteousness right in our own hearts. What diligence and watchfulness is required of us when this enemy in our souls is ready to oppose every effort to do good!”

-Jerry Bridges

#### Prayer Requests

- UPDATE: Anne Bond - The doctor called and the PET scan didn't show any nodules anywhere else, only inflammation and one spot in the right lung. It is inflamed pneumonia. Thank you God! Treatment will be antibiotic and an as needed inhaler. He will have another scan in October to keep an eye on that spot.
- UPDATE: Michelle Mason's surgery was a success. The surgeon found scar tissue wrapped around a nerve and believes this to be causing much of the pain she was in. Please pray for continued recovery and reliance on Him. Thank you for your prayers.
- Please pray for God to provide for all the personal and ministry needs of the Bauman family.

#### Pray for the Unreached

Teli People in India

Population: 21,850,000 | Primary religion: Hinduism | Percent Evangelical Christian: 0.02%

Pray that the Teli people will develop a hunger for the true God. Pray that believers will reach out to this people with the blessings of Christ. Pray that soon the oil of the Holy Spirit would anoint Teli community leaders and lead them to throw open the doors for their people to follow Jesus. Pray for the Lord to raise up Teli believers who will disciple others and begin the process of starting a Disciple-Making Movement among this people group.
